NEW OPPORTUNITY FOR 2025!

We are offering an exciting **NEW** incentive opportunity to earn up to an additional \$1,000 for your qualified lead and an executed contract! The base incentive plan stays in place, but if you provide a **qualified lead** as described below, you can earn an additional \$1000 for a total of \$2500.

A **qualified lead** includes the name and contact information of a hospital leader/decision maker who has expressed interest in a new program or dissatisfaction with their current management company and is agreeable to meet with a member of the RestorixHealth business development team.

You will be eligible for an added **\$500** if your qualified lead turns into a meeting and an added **\$500** if that qualified lead turns into a signed contract. This means you may earn up to **\$2,500** for your submission!

*All terms and conditions in the base plan apply. Both the base and enhanced plans are housed on Sharepoint.
